Youth Leadership & Communications Camp

A **10 day camp** at the beautiful Valley Trails campground in Castaic (near Los Angeles) California. Students will gain:

- **Presentation and public speaking skills** experience
- **Leadership training** through classroom and group activities
- Practice in Reflective **writing** skills
- Exposure to prominent **universities** in the area
- Interaction with **American students** through school trips and team-building exercises
- Cultural and educational experiences through **excursions and fun trips**

Skills Development

Leaders are not born—they are developed.

- **Self-confidence and leadership** training through carefully crafted activities and team-building initiatives, **reflective writing** and group **presentations**
- Students will spend 2 days with same-age **American students** in American schools on group activities
- **College** visits to prestigious universities such as **UCLA**.

Trips & Activities

- **Outdoor activities** such as large group games as well as swimming, hiking, high rope activities and more are part of the leadership learning process.
- **Historical and Cultural learning** through museum visits to Natural History Museum and Griffith's Observatory & Planetarium.
- Fun trips* to **Hollywood and Six Flags Magic Mountain Theme Park**

*All trips are chaperoned
